

Welcome to the Berlin, Maryland Chamber of Commerce!

Berlin, Maryland is truly a model business community in many ways. We enjoy a wonderful working relationship with the Town of Berlin and our many businesses work together to make sure that every visitor has the best possible experience.

Whether you make a living in retail, dining, or offer a professional service, the Berlin Chamber is ready to enhance your business with a variety of marketing opportunities. We not only can assist you in effectively reaching customers through social media and direct digital marketing, but we also have the ability to showcase your business at many of our amazing special events that attract thousands of potential customers to our town.

If you are opening a new business, the Berlin Chamber would love to assist you with an official Ribbon Cutting and help introduce you to our Chamber membership and invite the local media to share your excitement, products and services with the world.

For the convenience of our local seasonal businesses, we have started two membership renewal opportunities; January and June. We understand that not all businesses are open/have much income during the winter months, so we've included June to accommodate. To find out more, please contact the Berlin Chamber of Commerce office by calling (410) 641-4775 or emailing chamberinfo@berlinchamber.org. To get started on your membership, please complete the form and mail in your application with your check to PO Box 212, Berlin, MD 21811. For your convenience, we can also process your application and accept credit card payments via our website: www.berlinchamber.org (Click on "For Our Members" and then "Join The Chamber".)

Benefits of being a Chamber member:
