

## Let us help you in 2021

When we look back at 2020 and how Berlin continued to adapt and thrive during a global pandemic, it would seem amazing. There is truly something magical about this community. People feel the love, support, and positive spirit of just about any business owner they talk to. We have a unique cooperation between the Town of Berlin Government and the Berlin Chamber of Commerce. Both organizations are committed to working together for the overall success and wellbeing of our residents and our businesses.

Whether you make a living in retail, dining, or offer a professional service, the Berlin Chamber is ready to enhance your business with a variety of marketing opportunities. Let us assist you in effectively reaching customers through social media, direct digital marketing, and also showcase your business at any of our special events that attract thousands of potential customers to our town.

This year, we plan to launch a new state-of-the-art membership software platform that will make it even easier for you to connect with us and your customers. We also are planning to keep all our events scheduled and adapting to whatever CDC guidelines allow us to hold them safely.

Benefits of being a Chamber member:

- Social media promotion
- Business listing in our Member Directory on our website
- Recognition and member articles in the Eblast newsletter
- Referrals to visitors and area residents
- Ribbon Cutting Ceremony & other networking events (Business After Hours)
- Brochures for your business in the Berlin Welcome Center
- Priority involvement in Chamber hosted festivals – Spring Celebration, Jazz & Blues Wine & Brews, Spring and Fall Cruisers, and the Fiddlers Convention.
- Coordination of Group advertising campaigns in Print, Radio, and TV.
